Ethics

Riipen Project Product

Poem's by Leila and Rosalyn:

*Why is the world based on looks
When we all have a beautiful mind
We are judged by our appearance like the
cover of books
When that is never all that you will find*

**Our thoughts can be clouded by judgement
The absence of a positive sunny perspective are to
blame
So when going to speak with others
Imagine a sky clear as day**

Everyone should be like the
sun,
Radiant and bright to
everyone
Words that are kind
We give each other peace of
mind
